

Living Rosary
Tuesday May 18th
7:00p.m.

The 6th annual St. Anthony Living Rosary will take place Tuesday evening, May 18th. As we all know the greatest honor we can pay Our True Mother is to pray the rosary. Please show her your love for her by giving up one hour of the year to attend this inspiring and powerful rosary. It is just one hour out of the 8784 hours the Lord will be giving us this year. How overwhelming it would be to Our Blessed Mother to see the church full of adults and children alike.

Why is the Living Rosary so special and so powerful? A Living Rosary is a symbol of how all nationalities are united under the veil of Our Blessed Mother as One. As in heaven there is NO division, we here at St. Anthony want to show Our Blessed Lady that we have NO division. This invitation is to every person of every tongue and nationality. We need your participation by attending and honoring Our Blessed Mother. Never before have we had such a need for OUR BLESSED Mothers' intercessions more than we do today. With the horrors of abortions and same sex marriages etc...becoming such a war against our Catholic values and morale's, we must invoke Our Savior and Lord through the intercession of Our Blessed Mother to win this battle. Power comes in numbers and so much power is needed. In his visit to the United States, Our Holy Father made it very clear how much we need to WITNESS and to pray and to cure the evils that are attacking us daily. There is no greater defender or intercessor than Our Blessed Mother, and her greatest wish is for everyone to pray the rosary. Let's give her the royal treatment by giving her this ONE HOUR. Please mark your calendars for Tuesday, May 18th, 7:00 p.m. and plan to bring the entire family to participate in this powerful evening. If you would like to participate in this rosary by speaking a Hail Mary or an Our Father in your native language or any language you can speak, please contact Eva at the parish office.

We are asking for volunteers to lead one Hail Mary of the rosary in their native tongue and dress in their native dress if available. There will be a dress rehearsal Monday evening May 17th at 7:00 pm. We would like to ask you or any family member would be willing to participate in the beautiful and blessed event. More than one family member may participate.
