LUKE 14:25-33 TWENTY-THIRD SUNDAY IN ORDINARY TIME (Wisdom 9:13-18b; Psalm 90; Philemon 9-10, 12-17) KEY VERSE: "Whoever does not carry his own cross and come after me cannot be my disciple" (v 27). READING: As

Jesus drew closer to his destiny in Jerusalem, he asked his followers to consider whether or not they were prepared to continue the journey. Were they ready to renounce everything, even personal relationships that might interfere with their following him? Jesus asked his disciples to think carefully about the demands that were ahead of them before they made this commitment. He used two examples to explain the need to be prepared. Before a builder could begin construction, he must make an assessment of his materials; otherwise, he might not be able to complete the job. A ruler should weigh the strength of his army before going to battle, or else he might be defeated. Only those who were fully prepared would be able to follow Jesus to the cross that awaited him. **REFLECTING:** Pray for those in ministry who make great sacrifices for the sake of the gospel. **PRAYING:** Lord Jesus, help me to examine my spiritual strengths and weaknesses so that I can follow you.

With Faith Formation starting we ask that you do not park in front of the church while dropping off or picking up your child. This is a fire lane and if we have an emergency (such as in the past) the emergency vehicles are unable to get to the person quickly. If you park in the front of the church you take a chance of being ticketed by Wylie Police Dept. We have plenty of parking spaces in the back of the church.

Con el comienzo de Formación de Fe les pedimos que usted no se estacione delante de la iglesia dejando o recogiendo a su niño. Este es una vereda de fuego y si tenemos una emergencia (como en el pasado) los vehículos de emergencia son incapaces deponerse a la persona rápidamente. Si usted se estacione delante de la iglesia usted se arriesga de ser multado por el departamento de Policía de Wylie. Tenemos muchos estacionamientos detrás de la iglesia.

Habitat for Humanity Thanks to everyone for sticking it out through mid afternoon Saturday. The extra work allowed us to get the remainder of the walls up, sheathing on the exterior walls, and all the trusses set. Next on the agenda is to finish the truss/roof line and proceed with the decking on the roof. Gear up for September 11 to continue the interfaith build. Please also keep in mind that we are on a construction site and we need to keep an eye on the youth that are coming out. These past two weeks we have experienced too many youth under the age of 16. After the September 11 date there should be more things that the younger ones can do in a safer environment. Thanks again to everyone for your support. For anyone who has not participated in this type of experience I'd ask you speak to some of those who have. Yes it can be hard work but the reward at the end of a days work is very fulfilling. Thank You, Kyle Thornton
