

From Our Pastor

Christ Renews His Parish (CRHP) is a copyrighted parish renewal process that has existed since 1969 and been recommended by the renewal office of the National Conference of Catholic Bishops. It has been used as a personal and parish renewal in over 978 parishes in 34 states in the US and other countries.

The primary instrument in this renewal process is a retreat. This retreat, and the follow up process, is one of the more fruitful processes I have seen as a priest.

I encourage you to support this retreat and to consider attending the next weekends after the holidays. Let us pray that Christ will lead us and renew us, and many blessing will come through this retreat.
